

AUTO GYRO TOURS

An incomparable Adventure

Where freedom begins and excitement never ends. AutoGyro takes you to the most outstanding places and realizes the vacation you have always dreamed of.

In close collaboration with our international Partners, we organize AutoGyro Tours all around the globe and all year long. Safaris above the beautiful wildlife of Namibia, trips around the rich coasts and deep jungles of Costa Rica, or tours through the stunning nature of Iceland are just some examples of how you may experience breath-taking views above exceptional regions which are nearly undiscovered by civilization.

There is lots to explore on all continents. See the world from a different perspective, learn more about cultures and experience the wonderful variety of our nature. Or in other words: Have the time of your life with AutoGyro Tours. Enjoy the difference!

AUTO GYRO TOURS

Costa Rica

Guided Tours and Accommodation

You are taken care of! Regarding your individual wishes and plans, we organize everything around your AutoGyro Tour: gyros and documents, accommodation and boarding, round or day trips. This way, you are completely free to enjoy flying.

For your personal safety, we offer a broad instruction and safety training by our highly skilled pilots. And of course, you may also fly with us, if you are not a pilot yourself. Just get in and fly paradise. We will take you there!

AUTO GYRO TOURS COSTA RICA

Endless beaches, mystical jungles and volcano-shaped landscapes between two oceans - this is what gave Costa Rica, the rich coast, its name. Uncomparably beautiful and uniquely versatile, its flora and fauna are one of the richest on earth.

Our Partner Guido Scheidt will take you on a tour around his home country and realize dream-like excursions throughout the year. Customized tours for individual groups are also available

GENERAL REMARKS

The tours start at the Flying Crocodile Flying Center in Sámara, where pilots acclimate for a few days while receiving their safety training. For a tour we need a minimum of three pilot-participants and can accommodate a maximum of nine in considering that we have five gyros available. Each of our gyros is insured and perfectly maintained.
