

CERTIFICATE • ZERTIFIKAT

This certificate is authority for the extension of all AutoGyro qualified mechanics and partners holding the certification

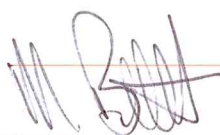

Certified Professional Mechanic

which expired during the year 2020 or will expire in 2021.

This certificate is to be displayed next to the original expired certificate, and is valid for the gyro models shown on the original certificate only.

This extension is valid until 31 December 2021.

Hildesheim, 19th of January 2021
